

## 5871

|  |                  |
|--|------------------|
| Axle Type  | SR – I beam      |
| Steering   | Power assisted   |
| Gross Axle Weight [ ton ]                          | 7,5              |
| Gross Vehicle Weight [ ton ]                       | 18               |
| Engine power ( Max current applications) [Hp]      | 300              |
| Engine torque ( Max current applications) [Nm]     | 1.050            |
| Typical weight (axle assembly with oil and brakes) | 450              |
| Oil capacity (wheel end) [L]                       | 0,7              |
| Brakes type  | EBL – full air   |
| Brakes system                                      | Vent. disc/ Drum |
| Compressor   | 225cc (360cc)    |
| Antiskid system                                    | Std K.B. ABS6    |
| Suspension   | Air / leaf       |
| Maximum width [mm]                                 | 2.432            |
| Leaf spring distance [mm]                          | 804              |
| Track [mm]   | 1.990            |
| Ground distance [mm]                               | 252              |
| Steering max angle [°]                             | 52               |
| Camber angle [°]                                   | 0,8              |
